

WEBSITE INFORMATION FOR CORPORATE CONSULTING LIMITED (CCL)

1.0 HOME

- **Welcome to Corporate Consulting Limited (CCL)**

Corporate Consulting Limited (CCL) is a Subsidiary of Great Dominion Holdings Limited (GDHL) established in 2007. CCL is located in Great Dominion Holdings Limited (GDHL) Complex in the City of Lilongwe, Off Kaunda Road in New Area 49, Opposite Gulliver. Our management consultants take the time to understand your current position and future goals, allowing us to help you bridge that gap, create roadmaps, and put individuals and organizations in a position of industry leadership and scalable growth. Our strategists have a cadre of experience spanning across wide range of industries. Through our business and management consulting services, CCL will also help you manage and improve your business operations cost-effectively, so you can focus on providing the highest quality services for your clients.

2.0 ABOUT US

- **Who we are?**

We are an organization designed to offer solutions that revolve around business and management consultancy services as well as creating an in-depth learning experience that ensures professionalism to firms as well as local and international participants. Additionally, CCL strives to spear head global network through conferences and seminars. We offer a variety of business and management consulting services that support your needs today while continuing to meet your needs in the future. We offer a suite of solutions to support your growth plan and the optimization of your organization as a whole

- **Our Vision Statement**

To engage in business and management consultancy services that create an in-depth learning experience that ensures professionalism to firms as well as local and international participants

- **Our Mission Statement**

To be a marketing leader in business and management consultancy services and spear head global network through conferences and seminars

- **Our Motto:** “We are Business and Management Consultants”

- **Our Core Values**

Why We Believe on Core Values

Core values do more than set a standard for work quality. They play a vital role in how an organization operates and is perceived.

- The ideals that drive Corporate Consulting Limited are:

1. **Quality** – We believe in providing high quality solutions to our customers
2. **Excellence** - Commitment in all we do for our GEC Members.
3. **Inspire** – To motivate, influence, energize and stimulate firms and conference participants.
4. **Networking** – The CCL will organize events to strengthen the network and collaboration
5. **Professionalism**

We believe in a high degree of expertise and integrity at all levels

3.0 OUR SERVICES

4.0 WHY WORK WITH OR CHOOSE CCL

- By working with our management and business strategy consultants, you will experience all of the benefits of working with a large organization without the big-business feel. You or your team will receive the attention and personal customer service and support you deserve, as one would expect from a local business.

- We work closely with our clients to resolve complex business issues, execute special projects, and enhance performance across their entire organization.
- You will realize your dream through learning the business and management skills from local and international expert speakers
- Get help with crafting winning business plans
- Networking with local and international successful business professionals
- You will access wealth of knowledge and world possibilities to help you face challenges and opportunities in a dynamic and complex environment
